SECTION V: ASSESSMENT PLAN

The PID Act allows the City Council to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the City Council may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the City and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this 2025 Amended and Restated Service and Assessment Plan describes the special benefit received by each Parcel within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit equals or exceeds the amount of the Assessments to be levied on the Assessed Property for such Authorized Improvements.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and

governmental powers and is conclusive and binding on the Developer, and all future owners and developers of the Assessed Property.

A. Assessment Methodology

Acting in its legislative capacity and based on information provided by the Developer and its engineer and reviewed by the City staff and by third-party consultants retained by the City, the City Council has determined that the costs related to the Authorized Improvements shall be allocated as follows:

- The costs of the Improvement Area #1 Projects have been allocated to each Parcel within Improvement Area #1 based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area #1 Assessed Property to the Estimated Buildout Value of all Improvement Area #1 Assessed Property. At the time of the levy of the Improvement Area #1 Assessment, the Improvement Area #1 Initial Parcel was the only Parcel within Improvement Area #1, and as such, the Improvement Area #1 Initial Parcel was allocated 100% of the Improvement Area #1 Projects.
- The costs of the Improvement Area #2 Projects have been allocated to each Parcel within Improvement Area #2 based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area #2 Assessed Property to the Estimated Buildout Value of all Improvement Area #2 Assessed Property. At the time of the levy of the Improvement Area #2 Assessment, the Improvement Area #2 Initial Parcel was the only Parcel within Improvement Area #2, and as such, the Improvement Area #2 Initial Parcel was allocated 100% of the Improvement Area #2 Projects.
- The costs of the Improvement Area #3 Projects shall be allocated to each Parcel within Improvement Area #3 based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area #3 Assessed Property to the Estimated Buildout Value of all Improvement Area #3 Assessed Property. Currently, the Improvement Area #3 Initial Parcel is the only Parcel within Improvement Area #3, and as such, the Improvement Area #3 Initial Parcel shall be allocated 100% of the Improvement Area #3 Projects.

B. Assessments

The Improvement Area #1 Assessment was levied on the Improvement Area #1 Initial Parcel at the time the City Council approved the 2023 Assessment Ordinance and, since subdivided, is currently outstanding in the amount shown on the Improvement Area #1 Assessment Roll, attached hereto as **Exhibit F-1**. The projected Annual Installments for Improvement Area #1 are shown on **Exhibit F-2** and are subject to revisions made in any Annual Service Plan Update. Upon

any additional division or subdivision of the Improvement Area #1 Assessed Property, the Improvement Area #1 Assessment will be reallocated pursuant to **Section VI**.

The projected Improvement Area #2 Annual Installments are shown on **Exhibit G-2** and are subject to revisions made in any Annual Service Plan Update. Upon division or subdivision of the Improvement Area #2 Initial Parcel, the Improvement Area #2 Assessment will be reallocated pursuant to **Section VI**.

The Improvement Area #3 Assessment shall be levied on the Improvement Area #3 Initial Parcel at the time the City Council approves the 2025 Assessment Ordinance in the amount shown on the Improvement Area #3 Assessment Roll, attached hereto as **Exhibit H-1**. The projected Improvement Area #3 Annual Installments are shown on **Exhibit H-2** and are subject to revisions made in any Annual Service Plan Update. Upon division or subdivision of the Improvement Area #3 Initial Parcel, the Improvement Area #3 Assessment will be reallocated pursuant to **Section VI**.

- The special benefit ($\geq \$7,982,456$) received by the Improvement Area #3 Initial Parcel from the Improvement Area #3 Projects is equal to or greater than the amount of the Improvement Area #3 Assessment (\$6,035,000) levied on the Improvement Area #3 Initial Parcel for the Improvement Area #3 Projects; and
- It is anticipated that, at the time the City Council approves this 2025 Amended and Restated Service and Assessment Plan, the Developer will own 100% of the Improvement Area #3 Initial Parcel. The landowner shall acknowledge that the Improvement Area #3 Projects confer a special benefit on the Improvement Area #3 Initial Parcel and shall consent to the imposition of the Improvement Area #3 Assessment to pay for the Actual Costs associated therewith. D. Annual Collection Costs

The Annual Collection Costs shall be paid for annually by the owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. The Annual Collection Costs shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

E. Interest

To the extent required by any Indenture, Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

The interest on the Improvement Area #3 Assessment securing the Improvement Area #3 Reimbursement Obligation shall be collected at rates established in this 2025 Amended and Restated Service and Assessment Plan, as shown on **Exhibit H-2**, pursuant to the Improvement Area #3 Reimbursement Agreement, which will not include Additional Interest unless and until Improvement Area #3 Bonds are issued. Upon the issuance of Improvement Area #3 Bonds, the interest on the Assessments will adjust to the rate on the Improvement Area #3 Bonds plus Additional Interest.

SECTION VI: TERMS OF THE ASSESSMENTS

Any reallocation of Assessments as described in this Section VI shall be considered an administrative action of the City and will not be subject to the notice or public hearing requirements under the PID Act.

A. Reallocation of Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of a subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property
D = the sum of the Estimated Buildout Value for all of the newly divided Assessed Properties

The calculation of the Assessment of an Assessed Property shall be performed by the Administrator and shall be based on the Estimated Buildout Value of that Assessed Property, as provided by the Developer, relying on information from homebuilders, market studies, appraisals, Official Public Records of the County, and any other relevant information regarding the Assessed Property. The Estimated Buildout Values for Lot Type 1, Lot Type 2, and Lot Type 3 are shown on **Exhibit E** and will not change in future Annual Service Plan Updates, but **Exhibit E** may be updated in future Annual Service Plan Updates to account for additional Lot Types. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)] / E$$

Where the terms have the following meanings:

- A = the Assessment for the newly subdivided Lot
- B = the Assessment for the Parcel prior to subdivision
- C = the sum of the Estimated Buildout Value of all newly subdivided Lots with the same Lot Type
- D = the sum of the Estimated Buildout Value for all of the newly subdivided Lots excluding Non-Benefitted Property
- E = the number of newly subdivided Lots with the same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat. The calculation of the Assessment for a Lot shall be performed by the Administrator and confirmed by the City Council based on Estimated Buildout Value information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of the County regarding the Lot. The Estimated Buildout Values for Lot Type 1, Lot Type 2, and Lot Type 3 are shown on **Exhibit E** and will not change in future Annual Service Plan Updates. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated into a single Lot or Parcel, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update immediately following such consolidation. The Assessment for any resulting Lot may not exceed the Maximum Assessment for the applicable Lot Type and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.C**.

B. Mandatory Prepayment of Assessments

If an Assessed Property or a portion thereof is conveyed to a party that is exempt from payment of the Assessment under applicable law, or the owner causes a Lot, Parcel or portion thereof to become Non-Benefitted Property, the owner of such Lot, Parcel or portion thereof shall pay to the City, or cause to be paid to the City, the full amount of the Assessment, plus all Prepayment Costs and Delinquent Collection Costs for such Assessed Property, prior to or concurrently with any such conveyance or act, and no such conveyance shall be effective until the City receives such payment. Following payment of the foregoing costs in full, the City shall provide the owner with a recordable "Notice of Assessment Termination," a form of which is attached hereto as **Exhibit K**.

C. True-Up of Assessments if Maximum Assessment Exceeded at Plat

Prior to the City approving a final subdivision plat, the Administrator will certify that such plat will not result in the Assessment per Lot for any Lot Type to exceed the Maximum Assessment. If the Administrator determines that the resulting Assessment per Lot for any Lot Type will exceed the Maximum Assessment for that Lot Type, then (1) the Assessment applicable to each Lot Type shall each be reduced to the Maximum Assessment, and (2) the person or entity filing the plat shall pay to the City, or cause to be paid to the City, the amount the Assessment was reduced, plus Prepayment Costs and Delinquent Collection Costs, if any, prior to the City approving the final plat. The City's approval of a plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such amounts. At no time shall the aggregate Assessments for any Lot exceed the Maximum Assessment.

D. Reduction of Assessments

If the Actual Costs of completed Authorized Improvements are less than the Assessments, then (i) in the event PID Bonds have not been issued for the purpose of financing Authorized Improvements affected by such reduction in Actual Costs, the City Council shall reduce each Assessment on a pro rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs that were expended, or (ii) in the event that PID Bonds have been issued for the purpose of financing Authorized Improvements affected by such reduction in Actual Costs, the Trustee shall apply amounts on deposit in the applicable account of the project fund created under the Indenture relating to such series of PID Bonds as directed by the City pursuant to the terms of such Indenture. Such excess PID Bond proceeds may be used for any purpose authorized by such Indenture. The Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of any Assessed Property may, at any time, pay all or any part of an Assessment in accordance with the PID Act. Prepayment Costs, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed, or the Annual Service Plan Update has been approved by the City Council prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment on an Assessed Property is prepaid in full, including Prepayment Costs, (1) the Administrator shall cause the Assessment to be reduced to zero on said Assessed Property and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit such revised Assessment Roll to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate with respect to said Assessed Property; and (4) the City shall provide the owner with a recordable "Notice of Assessment Termination."

If an Assessment on an Assessed Property is prepaid in part, including Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced on said Assessed Property and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit such revised Assessment Roll to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment will be reduced to the extent of the Prepayment made.

For purposes of Prepayments, the Improvement Area #3 Reimbursement Obligation is and will remain subordinated to (i) any PID Bonds secured by a parity lien on the Improvement Area #3 Assessments issued to finance all or a portion of the Improvement Area #3 Reimbursement Obligation.

F. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit F-2** shows the estimated Improvement Area #1 Annual Installments, **Exhibit G-2** shows the estimated Improvement Area #2 Annual Installments, and **Exhibit H-2** shows the estimated Improvement Area #3 Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

Prior to the recording of a final subdivision plat, if any Parcel shown on the Assessment Roll is assigned multiple tax parcel identification numbers for billing and collection purposes, the Annual Installment shall be allocated pro rata based on the acreage of the Parcel not including any Non-Benefitted Property, as shown by the Dallas Central Appraisal District for each tax parcel identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. The Annual Collection Costs for a given Assessment shall be paid by the owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. Annual Installments may be

reduced by any credits applied under an applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available for such purposes under the applicable Indenture. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments may be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes due and owing to the City. To the extent permitted by the PID Act or other applicable law, the City Council may provide for other means of collecting Annual Installments, but in no case shall the City take any action, or fail to take any action, that would cause it to be in default under any Indenture. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay any of the remaining unpaid Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with applicable law, including the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments of the Improvement Area #1 Assessment were due when billed and delinquent if not paid prior to February 1, 2024. The initial Annual Installments of the Improvement Area #2 Assessment were due when billed and delinquent if not paid prior to February 1, 2025. The initial Annual Installments of the Improvement Area #3 Assessment shall be due when billed and shall be delinquent if not paid prior to February 1, 2026.

Failure of an owner of an Assessed Property to receive an invoice for an Annual Installment shall not relieve said owner of the responsibility for payment of the Assessment. Assessments, or Annual Installments thereof, that are delinquent shall incur Delinquent Collection Costs.

G. Prepayment as a Result of an Eminent Domain Proceeding or Taking

Subject to applicable law, if any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a "Taking"), the portion of the

Assessed Property that was taken or transferred (the **“Taken Property”**) shall be reclassified as Non-Benefitted Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property) (the **“Remaining Property”**), following the reclassification of the Taken Property as Non-Benefitted Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner of the Remaining Property will remain liable to pay, pursuant to the terms of this 2025 Amended and Restated Service and Assessment Plan, as updated, and the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Assessment that remains due on the Remaining Property exceeds the applicable Maximum Assessment, the owner of the Remaining Property will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Assessment applicable to the Remaining Property will be reduced by the amount of the partial Prepayment.

In all instances the Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefitted Property and the remaining 90 acres constituting the Remaining Property shall be subject to the \$100 Assessment (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment, as applicable, on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to \$90.

Notwithstanding the previous paragraphs in this subsection, if the owner of the Remaining Property notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the applicable Maximum Assessment on the Remaining Property to support the

Estimated Buildout Value requirement. The owner will remain liable to pay the Assessment on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection, the Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

SECTION VII: ASSESSMENT ROLL

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this 2025 Amended and Restated Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner’s sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council’s approval of the calculation. Otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. The Administrator shall provide a written response to the City Council and the owner not later than 30 days after receipt of such written notice of error by the Administrator. The City Council shall consider the owner’s notice of error and the Administrator’s response at a public meeting, and, not later than 30 days after closing such meeting, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council shall

take such corrective action as is authorized by the PID Act, this 2025 Amended and Restated Service and Assessment Plan, the applicable Assessment Ordinance, the applicable Indenture, or as otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this 2025 Amended and Restated Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this 2025 Amended and Restated Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this 2025 Amended and Restated Service and Assessment Plan; and (4) to add Assessments for additional improvement areas for additional Authorized Improvements.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this 2025 Amended and Restated Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this 2025 Amended and Restated Service and Assessment Plan. Interpretations of this 2025 Amended and Restated Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners of Assessed Property adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public meeting at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners of Assessed Property and developers and their successors and assigns.

D. Form of Buyer Disclosure/Filing Requirements

Per Section 5.014 of the Texas Property Code, as amended, this 2025 Amended and Restated Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the Lot Types with the District. The buyer disclosures are attached hereto as **Appendix B**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance of this 2025 Amended and Restated Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this 2025 Amended and Restated Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in their entirety.

E. Severability

If any provision of this 2025 Amended and Restated Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

1. Introduction

1.1 Overview

Stonehaven is a single-family residential development consisting of approximately 246 total acres and is expected to produce approximately 809 single-family homes. The site is located south of the Lasater Road and Stark Road intersection in Seagoville, Texas. An exhibit showing the boundary of Stonehaven Public Improvements District, Improvement Area No. 3 is shown on Exhibit 1A and the overall Public Improvement District with all Improvement Areas are shown on Exhibit 1B.

Improvement Area No. 3 consists of 226 single-family homes and is delineated via the map in Exhibit 1A with the legal description in Exhibit 2A. This Engineer's Report includes information for the development improvements, associated preliminary costs, and additional exhibits to provide further context on the location and scope of the proposed Improvement Area No. 3 infrastructure. This report also includes the delineation of the overall Public Improvement District as shown on Exhibit 1B, 1C, & 2B.

2. Development Improvements

2.1 Location

The Public Improvements District (PID) is located approximately 2 miles south of US Interstate 20 and 1 mile north of Seagoville Road in the city of Seagoville. The PID is entirely located within the City of Seagoville. The PID is located within the City of Seagoville Water CCN and within the City of Seagoville Sewer CCN. A PID boundary map and legal description is presented in Exhibits 1A and 2A.

2.2 Proposed Improvements

a) General

Improvement Area No. 3 contains 226 single-family lots that are 50' in width within Stonehaven Phases 4 and 6. Lots with the anticipated pad locations are shown in Exhibit 3.

All PID facilities will be designed in accordance with the criteria established by City of Seagoville and TCEQ. Anticipated development costs for Improvement Area No. 3 are shown in Exhibits 4A & 4B.

b) Street Paving

All roadway facilities will be designed in accordance with the criteria established by the City of Seagoville. Roadway facilities will be constructed to provide access to each lot, necessary traffic circulation within the development, and access to existing perimeter roadways. The Improvement Area No. 3 infrastructure consists of

approximately 10,150 linear feet of onsite roadway. A residential paving infrastructure layout is shown in Exhibit 5A.

c) Water Distribution System

Stonehaven water will be supplied by facilities that are owned and operated by the City of Seagoville through offsite connections to existing water lines. The developer will construct all water distribution facilities to serve the development.

The Improvement Area No. 3 infrastructure proposed is approximately 7,700 linear feet of 8-inch residential waterline. Valves and flushing valves are provided at intervals as required by the City of Seagoville. A residential water infrastructure layout is shown in Exhibit 6A.

d) Sanitary Sewer System

The wastewater generated by the development will flow by gravity main through the internal sanitary sewer collection system and will be routed to an offsite sanitary sewer main constructed by the developer. These flows are conveyed to the North Texas Municipal Water District (NTMWD) Lower East Fork Lift Station and, ultimately, the South Mesquite Creek Wastewater Treatment Plant.

The Improvement Area No. 3 infrastructure proposed is approximately 9,500 linear feet of residential 8-inch gravity sewer line. The residential wastewater infrastructure layout is shown in Exhibit 7A.

e) Storm Sewer System

The storm water runoff within the PID will be collected by inlets along the concrete curb and gutter street system and routed through an underground storm drain system of reinforced concrete pipe. The Improvement Area No. 3 infrastructure proposed is approximately 3,000 linear feet of 18-inch to 36-inch residential reinforced concrete pipe storm drain. The residential storm infrastructure layout is shown in Exhibit 8A.
